Summary

I am Keshav,

As a tech professional, I thrive in the dynamic realm of technology, leveraging my expertise in web and graphic design, app development, and astrophotography to drive innovation.

With a background as a State Science Champ and ATL Student Ambassador, I'm passionate about pushing the boundaries of what's possible in the tech landscape.

Highlights:

State Science Champ

ATL Student Ambassador

NASA Space Apps Challenger

Galactic Problem Solver (Certified)

These experiences have sharpened my problem-solving skills and unleashed my creativity, propelling me to push the boundaries of what's achievable in the tech landscape.

Let's connect and explore the vast universe of possibilities together!

Experience

Atl student ambassador

Atal Innovation Mission Official

Jan 2021 - Present (3 years)

As an ATL (Atal Tinkering Lab) Student Ambassador for the past 3 years, I've been an advocate and enthusiast for innovation and hands-on learning. Guiding and inspiring peers, I've actively promoted a culture of creativity, problem-solving, and technological exploration within the ATL community. By organizing workshops, mentoring fellow students, and spearheading initiatives, I've played a pivotal role in fostering a dynamic environment for innovation and experimentation.

Education

Kamla Sagar School

Skills

Prompt Engineering • inventor • 3D Modeling • Figma (Software) • Blogger • Canva • Adobe Photoshop • adobe • Java • Visual Studio

Galatic problem solver - Nasa

Oct 2023

Mail by nasa -

Congratulations!

We are excited to award you recognition of participation in the 2023 NASA International Space Apps Challenge, the largest in NASA Space Apps history! This year we had 57,900+ registered participants from 152 countries/territories, tackling 30 challenges. Thank you for your collaboration, creativity, and dedication to solving the real world problems we face on Earth and in space.

In honor of your 2023 participation and project submission, we present to you the official "Galactic Problem Solver" certificate.
